visor protector F!-Rock

Visor Protector "F!-Rock" – The robust helmet accessory for reliable visor protection The "F!-Rock" Visor Protector offers a matte shield for the F!-Rock visor, effectively protecting the sensitive visor from scratches and impacts when it's in the flipped-up position. Grooves allow for easy combination with a headlamp. The quick-connect system and attachment via visor adapters enable fast, secure mounting—a genuine helmet accessory for tough work.

Article no.:	15503
Coating description:	visor protector F!-Rock
