Rechargeable headlamp

Maximum Safety at a Glance – The Headlamp for Every Situation Maximum safety at a glance: This robust LED headlamp impresses with two separate reflectors for distance and area lighting, six lighting modes, up to 350 lumens, and a runtime of up to 13 hours. Easily attached to the F!-Rock helmet with a clip or flexible headband, the headlamp also excels with IP44 splash protection, sensor control via hand movement, and a 90° adjustable lamp head—for a secure solution in every use case.

Article no.:	**15509**
Coating description:	Rechargeable headlamp
Packaging units:	1 piece / 50 piece
