Sun hat for F!-Rock

The sun protection hat is a smart accessory for outdoor work: made from hi-vis yellow, waterproof ripstop polyester, it provides all-around protection for the face and neck against sun, rain, and dirt. With reflective details for high visibility, it attaches easily and securely to the headlamp clips of the F!-Rock safety helmet. Compatible with standard models, the sun protection hat stays put even in the wind.

Article no.:	15510
Coating description:	Sun hat for F!-Rock
Packaging units:	1 piece / 100 piece
Properties:	Reflective applications
Material:	polyester
