Reflective stickers for increased

The reflector sticker set for F!-Rock safety helmets ensures optimal visibility and more safety. The accessory set includes precisely pre-cut, highly reflective stickers that were specially developed for the safety helmet and can be mounted with particular ease. Conspicuousness in darkness and at dusk is just as guaranteed as long-lasting weather resistance—for maximum safety and a perfect addition to personal protective equipment (PPE).

Article no.:	15512
Coating description:	Reflective stickers for increased visibility of F!-Rock helmets
Packaging units:	1 set / 100 set
Properties:	Reflective applications
