Prosoft 39 earplugs, green,

Prosoft 39 ear plugs, packed in pairs in a box, excellent attenuation values: SNR 39 dB(A), H 38 dB(A), M 37 dB(A), L 34 dB(A). Due to the combination of softness on the one hand and stability on the other hand, the earplugs offer a high wearing comfort. Due to the slow expansion, the plug adapts optimally to the size and shape of the ear canal of its user and seals the ear canal well thanks to the conical shape.

Article no.:	261
Coating description:	Prosoft 39 earplugs, green, pairwise, SNR 39 dB, 200 pairs/box
Packaging units:	1 box / 8 box
Protection class Category PPE:	PPE Cat. III - Protective equipment for high risks. Category III includes all products that protect against potentially fatal hazards and irreversible damage to health (complex PPE).
Standards:	EN 352-2
SNR-Wert dB(A):	39 dB(A)
Material:	PU foam
Color:	green
Industry:	Construction / Waste / Recycling Services / logistics / facility management Craft / manufacturing industry Heavy industry Light industry
