nitrile foam fine knit glove,

"GO GREEN" 545 Nitrile Foam Glove: Outstanding Grip with a Green Footprint The "GO GREEN" 545 nitrile foam glove perfectly balances exceptional grip with measurable sustainability. Crafted with a recycled polyester, cotton, and spandex liner, it features a biodegradable micro-nitrile coating across the palm and fingertips. Designed for high wearing comfort and breathability, this nitrile glove ensures safe, efficient handling in dry, oily, greasy, and slightly damp working environments. Every pair recycles one 500 ml plastic bottle, carries the OEKO-TEX® Standard 100 certification, and comes in 100% plastic-free packaging—making it a smart, responsible choice for your workplace.
