Bump Cap "X!-9500 Pro Cap",

Bump Cap Series X!-9500 – Safety with Character #The Bump Cap Series X!-9500 impresses with an innovative peak inner core made of high-performance polymers for maximum stability. Certified according to EN 812, it offers reliable protection, an ergonomically shaped, removable protective shell, and excellent wearing comfort thanks to anti-shock foam and a high-quality ventilation system. All-around reflective material ensures 360° visibility, while the lightweight design (140 g) and adjustable fit guarantee an optimal seat – easy to care for and washable up to 40°C.

Article no.:	9560
