safety spectacles "classic"

"classic" Safety Glasses - Timeless Eye Protection with Style##The "classic" safety glasses combine timeless style with maximum eye protection. The classic full frame with integrated side shields offers excellent lateral protection. Soft, anti-slip temple ends and the anatomical nose pad ensure high wearing comfort—completely free of pressure points. With UV protection, an anti-fog coating, 100% metal-free construction, and a weight of only 27 grams, they meet EN ISO 16321-1:2022 standards and score points with understatement and functionality in the workplace.
