safety spectacles "classic BR"

All-Around Protection with Style: "classic BR" Safety Glasses Reliably Keep Blue Light in Check##The "classic BR" safety glasses offer optimal all-around protection with a classic full frame and integrated side shields. Light brown lenses filter out 50% of harmful blue light up to 450 nm, ensuring relaxed, high-contrast vision. A UV400 filter, anti-fog coating, and soft, pressure-free temples and a comfortable nose pad maximize wearing comfort. The completely metal-free model is certified according to EN ISO 16321-1:2022—for protection with style and safety.

Article no.:	9932
Coating description:	safety spectacles "classic BR" Blue light filter
Packaging units:	1 piece / 12 piece / 144 piece
Protection class Category PPE:	PPE Cat. II - Protective equipment for defence against hazards. All products that are not classified as Category I or III belong to Category II.
