safety spectacles "classic red sun"

More Than Just Style: The "classic red sun" Safety Glasses The "classic red sun" safety glasses combine maximum eye protection with great style. Featuring a classic full-frame design, integrated side shields, and a glare-free Sky Red Mirror tint (with a light transmission of 14%), they offer powerful protection even in the brightest sunlight. Soft temple tips and an anatomically shaped nose pad guarantee a comfortable, pressure-free fit. Weighing just 27 grams, being 100% metal-free, and certified to EN ISO 16321-1:2022, these safety glasses are the ideal companion for demanding tasks.
