safety spectacles "pk"

Maximum Safety with "pk" Safety Glasses: Eye Protection with Style#The "pk" safety glasses combine a modern fashion look with maximum eye protection. A dual elliptical lens provides an extra-large field of vision, and the completely metal-free construction ensures a lightweight feel. Soft, anti-slip temple ends offer long-lasting comfort. The slim temples fit perfectly with hearing protection, helmets, or bump caps. Certification according to EN ISO 16321-1:2022 and an integrated UV protection filter make these safety glasses a reliable partner in your daily work—stylish and safe at the same time.
