safety spectacles "Multitalent",

Protective Glasses "Multitalent" Set 3-in-1 – Maximum Flexibility in Eye Protection The "Multitalent" 3-in-1 protective eyewear set offers versatile eye protection through its clever interchangeability of temples and a headband. The 2.2 mm thick lens ensures clear vision, while the sealed rubber frame provides protection against particles. Metal-free, non-slip temples with ventilation, individually adjustable angles, and a comfortable click mechanism allow for maximum adaptability—for everyday use in trades, labs, or on the construction site.

Article no.:	9941
Coating description:	safety spectacles "Multitalent", 3-in 1 set, clear
Packaging units:	1 piece / 12 piece / 144 piece
Protection class Category PPE:	PPE Cat. II - Protective equipment for defence against hazards. All products that are not classified as Category I or III belong to Category II.
